The sub-committee agreed that it would be prudent to get clear guidelines for managing the Mainstreaming of National Cohesion and National Values programme from the Directorate of National Cohesion and National Values

In line with the guidelines provided the Vice-Chancellor would be the focal person to spearhead the Mainstreaming of National Cohesion and National Values Programme and his name shall be submitted to the Directorate of National Values and National Cohesion for the same.

The University Cohesion and National Values Committee will consist of the following proposed membership: -

- | | | |

| c. All College Principals | - | Members |
| d. All Deputy Principals | - | Members |

| f. Registrar, Administration | - | Secretary |

There was consensus on the need to establish College Cohesion and Values Committees which shall be chaired by Principals of the respective colleges whose membership shall comprise of heads of departments from the said colleges including the college registrar as the secretary.

That the initial trainings of the University Cohesion and Values Committees by the Directorate of National Cohesion and National Values together with the rest of staff members is expected to be undertaken in a span of one (1) week after the launch of the committee and its own training.
