

CBPS HOLDS SENSITIZATION WORKSHOP ON CORRUPTION & LEADERSHIP & INTERGRITY

The college of Physical & Biological Sciences (CBPS) held a capacity building workshop on corruption prevention, leadership & integrity.

The participants were taken through guidelines of how to conduct themselves as state and public officers on their offices. the topic on corruption was also extensively discussed whereby the members were taken through the causes of corruption, which can either be individual, societal or organizational factor, the effects of corruption which can be either social, political or societal effects, how to avoid corruption and finally the benefits of fighting corruption. These include: better medical care/facilities, improved security reduction in poverty among others.

The event was held on 23rd June 2016 and was attended by members of staff and students.
